Social Media Post 1

Join the quest for a healthy liver this World Hepatitis Day! Discover the power-ups to protect yourself from hepatitis and prevent long-term liver damage. Level up your knowledge, assess your risk, get tested, and practice safe behaviours. Visit www.hepcantwait.org.au #HepCantWait #WorldHepatitisDay #LiverHealth #DefeatHepatitis

Social Media Post 2

Uncover your hepatitis risk with a simple online quiz! This World Hepatitis Day, take the online hepatitis quiz to assess your risk factors and learn how to level up your liver health. Don't let hepatitis go undetected—be proactive and stay one step ahead! Visit www.hepcantwait.org.au #HepCantWait #KnowYourRisk #WorldHepatitisDay

Social Media Post 3

It's time to get tested! Don't let hepatitis go unnoticed. Take charge of your liver health this World Hepatitis Day and get tested if you are unsure of your hepatitis status. Early detection is key to preventing long-term liver damage. Visit www.hepcantwait.org.au #HepCantWait #GetTested #EarlyDetection #WorldHepatitisDay

Social Media Post 4

Power-up your liver health this World Hepatitis Day! Vaccination is available for hepatitis B, and an effective cure is available for hepatitis C. Level up your defence and protect yourself from long-term liver damage. Spread the word and encourage your loved ones to check their hepatitis status!
