

## Hepatitis Queensland Ordinary Board Member Position

### About Hepatitis Queensland

Hepatitis Queensland is the peak community association for hepatitis in Queensland. We are a non-government body providing a range of initiatives and programs to prevent viral hepatitis and improve the lives of those affected by the disease. We acknowledge the diversity of the people and communities whose lives may be affected, and we represent their interests in the work we do.

To be successful in this role, you will be passionate about improving health outcomes for all Queenslanders and motivated to join the Board of Directors on a pro-bono basis. You will be a strategic thinker, energetic with excellent interpersonal and communication skills who can positively influence discussions at a Board level.

Some of the responsibilities of Board members include:

- Active participation in all quarterly virtual Board meetings
- Attendance at face-to-face strategic planning sessions in Brisbane as required
- Complying with the association's constitution and relevant legislation
- Acting in the best interests of the association.

Ordinary Board members will be called upon to:

- Fill executive committee casual vacancies that may arise
- Perform specific tasks for the association
- Sit on Board sub-committees.

We are particularly looking for people with the following skills or background:

- Medical specialist in hepatology
- Law
- Communications or marketing
- Government relations
- Aboriginal and/or Torres Strait Islander peoples
- People who can represent culturally diverse communities.

### To apply

Please provide a written application including how you meet the preferred skills/background and your resume to [CEO@hepqld.asn.au](mailto:CEO@hepqld.asn.au)

For further information please contact A/Prof Anna Hawkes, CEO of Hepatitis Queensland by emailing [CEO@hepqld.asn.au](mailto:CEO@hepqld.asn.au)

Applications will be assessed as they are received.
